Standard versions available

- Type D: with female thread.
- Type E: with threaded rod.

Special executions on request

- zinc-plated Steel.
- Stainless Steel (A4 quality).

Information

Waist shaped knobs GN 75.5 boast a compact and timeless design.

They are made of high-grade stainless steel which makes them the first choice when it comes to applications requiring high standards of hygiene. The favourably designed and non-scooped geometry helps to prevent damp and the related risk of dirt collecting.
